

VALUES STATEMENT

Kennett Pty Ltd has a history of supplying a service of the highest quality in our field. This follows from our policy of offering a service, which meets or exceeds our customers' expectations and needs.

Our commitment to quality and service is defined in this Values Statement.

- We are passionate about our work;
- We are committed to the creation of lasting relationships;
- We are obsessive about detail;
- We understand that process creates value;
- We encourage ambition in our staff;
- We take ownership of our customers' problems;
- We believe that our role is to help create better business.
